FOOTNOTES

[1] A volume is a physical unit of any printed, type-written, mimeographed, or processed work contained in one binding or portfolio, hardbound or paperbound, which has been cataloged, classified, and/or made ready for use. Include bound periodicals and government documents. Exclude microforms.

[2] A periodical is a publication constituting one issue in a continuous series under the same title published at regular or irregular intervals over an indefinite period, individual issues in the series being numbered consecutively or each issue being dated. Newspapers as well as publications appearing annually or less frequently are included in the definition.

[3] Microforms are materials that have been photographically reduced in size for storage, protection, and inexpensive publication purposes, and which must be read with the help of enlarging instruments. Examples of microforms are: microfilm, microcard, and microfiche.

[4] Total Library Expenditures should include all funds expended from restricted funds (gift and grant monies) as well as unrestricted funds (state appropriated and self generated income).

[5] "Percent of Total (unrestricted and restricted) Expenditures of Institution Spent by Library" should be computed by expressing the "Total Library Expenditures (unrestricted and restricted)" as a percent of the total college or university's Education & General (E & G) expenditures (unrestricted and restricted). The total E & G expenditures would exclude Auxiliary Enterprises.

[6] "Percent of Total Unrestricted Expenditures of Institution Spent by Library," should be computed by expressing the "Total Library Expenditures" (unrestricted) as a percent of the total college or university's unrestricted fund expenditures.

[7] This includes all expenditures for materials, including microform, etc.

[8] An additional $158,513 in Federal Work-Study funds supported library help.

[9] This includes $227,506 in specially-appropriated funds for materials.

[10] Includes 124,472 depository microfiche.

[11] Items 4 and 6-10 are for Perkins Library System only; does not include Law, Medical or Business Libraries.

[12] Statistics not kept resident/non-resident.

[13] Does not include special collections which number as follows: U.S. Documents, 342,886 items; Annual Reports of Corporations, 36,464 items; Map Collection, 816 items.

[14] Includes $323,118 start-up costs for new Law Library.

[15] Includes Middleton, Law, and Veterinary Medicine Libraries.

[16] Does not include fringe benefits.

[17] This figure reflects the inclusion of microform holdings converted as per ACRL Standards.

[18] Journal/Serials Evaluation Project in progress which has resulted in the discontinuation of subscription titles.

[19] 10,611 (full) and 2,517 (part).

[20] 383 (full) and 1,982 (part).

[21] Includes 184,465 Gov't Docs.

[22] Including student help.

[23] Does not include 9,000 hours of videotape.

[24] Does not include 180,190 cataloged microforms.

[25] Omits fringe benefits.

[26] Includes 137 "Professional" students.

[27] Includes professional schools: Law, Medicine, and Management.
